

# Be an armchair plotter with Repro Desk.

Access state-of-the-art  
printing facilities from the  
comfort of your office.

## Powerful printing solutions at your fingertips.

Connect to our printers from your office. Preview your documents and specify the settings. Send to our printers and have it delivered to your doorstep.

We have the technology.  
Now, so do you.

## Join industry leaders in using Repro Desk.

Repro Desk is a tool that provides business owners a platform to access large-format printing services from the convenience of their own office.

Its interface is simple. The drag-and-drop system is intuitive and can be set up in no time and at no cost.

Avoid print disasters by setting the print parameters yourself. Never have a communication mishap or re-print ever again.

Convenient pick-up from our locations or delivery right to your doorstep. It's that simple.

**Simple,  
economical,  
convenience.**

Free customized  
installation of Repro Desk  
software at your location

Define print settings and  
preview your documents

Send your document to  
our printers

Documents are  
delivered to your  
doorstep

It's that simple.

AcePLP, an ISO9001:2008 certified company, is an engineering design service provider offering a range of integrated services to the Architectural, Engineering and Construction (AEC) industries such as design authoring, print management, business optimization and team development.

AcePLP has advanced the workflow efficiency of AEC projects for more than 15 years. Our team of specialists undergo rigorous skills training at ACE Industrial Academy before their deployment to your project.

Equipped with the latest CAD/BIM technology from global software vendors such as Autodesk and Bentley Systems, the AcePLP team offers fast turnaround and enhancements to project productivity.

We provide installation and tutorial for Repro Desk completely free-of-charge. For installation, contact your friendly customer service representative or email us at [enquiry@aceplp.com.sg](mailto:enquiry@aceplp.com.sg).
